Sir

Re Continuance of the post of the Additional Clerk and two Octroi Peons in the Birur Municipality on a permanent basis

Adverting to Government Order No L 2525-6/Ml 7-42-8 dated 1st September 1942 sanctioning the continuance of the additional clerk on Rs 20-1-25 and the two temporary octroi peons on Rs 10/- each per mensem, in the Birur Town Municipality during the years 1942-43 and 1943-44, I have the honour to state that the Town Municipal Council Birur, have resolved at their meeting held on 28th February 1944 that all the three posts may be placed on a permanent basis

In this connection, it may be stated that this is a III Class Municipality with an annual income of about Rs 19 000/- and the amount of the work in the Municipality has increased owing to the existence of the Municipal High School and the development of the town The services of one whole-time clerk will be required for attending to the mohatarfa work To prevent the smuggling of dutiable goods it is necessary to have sufficient staff The Municipal Council cannot manage with only one peon One peon has to go to the Railway Station and Post Office to see to the goods received by Railway and V P P and one at least has to go round the town and be on the look-out for the detection of smuggling cases Necessary provision has been made in the Budget of the Municipality for the year 1944-45

In the circumstances I request that sanction of Government may be kindly obtained for the proposal of the

Birur Municipal Council to place the temporary posts referred to above on a permanent basis

The proposition statement and other records are enclosed for favour of reference
